IMMEDIATE PAST PRESIDENT'S REPORT

MARSHA LANDRETH

It is summer and the boating season is here again. I wish for everyone following seas.

I'm the chair of the Nominating Committee and the thing I'm most concerned about is that we don't have members in the pipeline to fill the positions on the International level. In order to be an International Officer, a candidate must have been a District Director (except for the Treasurer who needs a special skill set). We have been seeing some Directors continue in their positions without the intention of move up ... or stepping aside to let another person have a chance. Please consider this when District elections come up again. Do remember that the District Director's duty is to attend the Annual Convention and cast the District's allocated votes at the Board of Directors Meeting.

Our membership is currently 1368 members, but dues continue to trickle in.

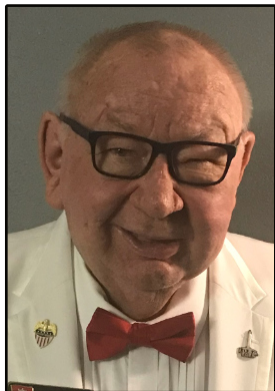

Buzz has been working hard to put together a great Annual Convention for us. The cost of the cruise is reasonable – under \$800 for two people. This is less than we have been paying for hotel rooms and food for the last few conventions. I would imagine not many of the IOBG members are prone to seasickness. So please get those reservations in to avoid missing the FUN.

The previous page shows the positions available on the Executive Committee and the Area Vice Presidents. If you have been a past District Director, please consider putting in your application. The soft deadline is June 1st. Email me if your letter of intent will be late.

Again, have a fun, but safe, summer of boating.

Fair Winds,

Marsha

FIRST VICE PRESIDENT'S REPORT

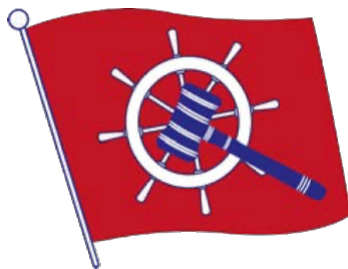

Well, despite the minor (i.e., "non-fatal") heart problem of our layout artist, the July/August issue of The Gulfstream finally went out. The issue is chock-full, with 9 pages of Convention news, including things to do and see in Put-In-Bay, along with weather prognostications for mid-October and instructions for viewing dozens of Put-In-Bay videos on YouTube. If you haven't heard about it yet, The Gulfstream is "unofficial" "news magazine" of the Eastern IOBG regions. It's published every other month (6 times a year) and its "unofficial" status means it does not receive funds from the national IOBG, or any chapter or district. If you haven't seen this free, independent publication, send me an email, and I'll send you this special "Convention Issue" right away.

Maybe it's because of the additional communication here in the East or maybe it's just dumb luck, but we're hearing from people we haven't heard from in a while. District 27 Director Carl Treff sent information and color photos about his home Maryland Yacht Club while juggling his responsibilities for the establishment of the brand- new National Potomac Yacht Club Chapter being promoted by P/C Harold Seigel (known to his friends as "H"). And the regular "Academy of Yachting" slot was filled by 2nd VP P/C Dave Kowert's article on leadership and the importance of mentoring young people.

District 3 Director Steve Tiscack is a regular contributor to the "Eastern" cause, and can always be counted on for information and support. And, speaking of the Eastern Region—the regular feature "Cap'n Kelly's Lucky Bag" ("a compendium of this 'n' that") took readers back to the founding of United States Power Squadrons at the Boston Yacht Club and its link to the yacht club world.

Finally, the Southeast is alive and well with St. Augustine Yacht Club once again leading the way with a story and color photos of its youth sailing program.

On the whole, IOBG east of the Mississippi is doing just fine, thank you!

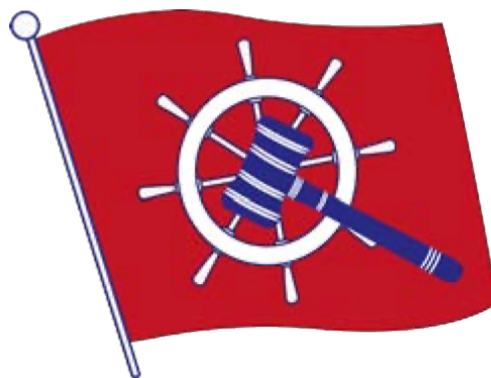

DEAN SMITH

SECOND VICE PRESIDENT REPORT

I've really appreciated getting to know more about other Districts in IOBG. Rich Dooley and Liz Allison kindly invited me to the combined District 19 / District 14 general meeting in February, where I had the chance to meet and discuss with members about how they see IOBG. My additional thanks to Rich for being our new Southwest Area VP and helping me interact with Districts there.

Then, in March, I joined President Steve Hyder, President-Elect Buzz Bisanz, and 1st VP Dave Kowert on a visit to St. Augustine to talk with District 8 about what's new in the Southeast. April and May brought activities closer to home here in the Northwest with District 1. I attended their spring membership meeting and, two weeks later, enjoyed riding on their IOBG boat during Seattle Yacht Club's Opening Day Parade.

I look forward to visiting more Districts – please let me know about membership meetings or other opportunities to visit as they arise. Also, please consider joining us at the Annual Meeting in October, cruising from Port Canaveral. Whether you're a District Director, an officer on a District board, or a member who just wants to learn more, I've found these Annual Meetings to be outstanding opportunities to hear about what other Districts are up to and meet new and interesting fellow members.

EXECUTIVE SECRETARY'S REPORT

PHIL LACOURSE

Greetings to all of you,

Greetings to all of you. I hope to find you well at the time of this writing and that you are looking forward to boating and all of the summer activities.

Just a few words about my activities lately as your IOBG Executive Secretary.

Currently there are 702 Chapters within the International Order of the Blue Gavel. We have recently added 3 new chapters which now brings the number of IOBG Chapters to 705. Most recently Michigan / Ohio Power Boat Association, National Potomac Yacht Club and the Seattle Singles Yacht Club were awarded their new Charters. Congratulations to these clubs and we know that they will continue the good works and the objects and purpose of the IOBG.

Most recently we have been asked for a re-created copy of Charters for a few of the yacht clubs. I have done that and have sent them on to those respective clubs.

One of those clubs is the Lahaina Yacht Club. As we all know, that club, as well as, the City of Lahaina itself was lost to a fire on August 8th, 2023. Lahaina Yacht Club reached out to see if we could re-create their original Charter. We did that and it was sent to Jeff Kaiser at Lahaina.

Jeff in turn wrote back, and in part I will share that message with you. Message from Jeff, I could never adequately express my gratitude for the kind gesture. It literally brought tears to my eyes and joy to my heart to hold that document in my hands. The IOBG has shown us great kindness and compassion since our fires. While our club faces many challenges, knowing that we have support and encouragement from the IOBG and yacht clubs worldwide, is uplifting and gives me hope for the future. Signed Jeff Kaiser.

This also gives joy to my heart knowing that we could provide this uplift and knowing what it means to Jeff and the various yacht clubs the importance and pride in holding an IOBG Charter for their Yacht and Boat Clubs.

Best wishes to all of you,
Philip LaCourse,
International Executive Secretary

SOUTHWEST AREA VICE PRESIDENT

RICH DOOLEY

On February 23, 2025, IOBG Districts 19 and 14 held a joint General Membership and New Member Induction Meeting. District 19 Director Rich Dooley inducted eight new members into the International Order Of The Blue Gavel District 19. This was the first joint district meeting for Districts 19 and 14 in 2025. District 14 Director Liz Allison also welcomed several new members.

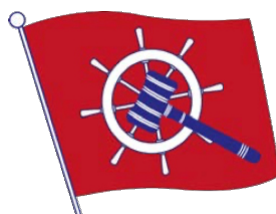

IOBG 2nd International Vice President Dean Smith led the Pledge of Allegiance with 72 members in attendance, including District 19 President Cheryl Cados and District 19 Vice President Marina Faconti. IOBG Member and Pacific Inter-Club Yacht Association Representative David Jackson discussed opening day on the San Francisco Bay. The event was hosted by the Discovery Bay Yacht Club, a chapter of District 19, and Junior Staff Commodore Rich Allen, an existing IOBG District 19 member, welcomed all attendees to the Club.

District 19 will hold its annual appreciation picnic at the Stockton Yacht Club on July 13, 2025. This event is free for all paid-up members, and members who arrive by boat will receive complimentary docking. In an effort to foster stronger ties, District 19 has invited all members of District 14 to attend. Additionally, Commodores from Yacht Clubs within the District 19 area are invited to learn more about the mission of the International Order Of The Blue Gavel.

The Discovery Bay Yacht Club held its Opening Day Parade on April 19, 2025, and presented awards at the after-parade party. I participated in the parade aboard my newly acquired 2004 39-foot Sea Ray Sundancer and was pleased to receive 3rd place.

Regards,

Rich Dooley,
Southwest Area Vice President

DISTRICT NEWS

District 1: Washington State

District 1 – Butch Brown, District Director

Spring is here in the Pacific Northwest, and we have a busy calendar with a growing membership in District 1. Thanks to past Commodore Ken Johnson, we're adding a new Chapter at Seattle Singles Yacht Club – a vibrant group with an active schedule and extensive community engagement. Also, our Lake Chelan Yacht Club Chapter has reinvigorated itself under their new Commodore, Carl Polson (who is also a past Commodore), who's joined himself and recruited at least 4 other past Commodores to join with him!

IOBG boat Daffodil Festival-ca 1953

District 1's President, Alan Kester of Kingston Cove Yacht Club, represented us at the flag ceremony for our first event of the season – Tacoma Yacht Club's 73rd annual Daffodil Festival on April 12th. Blue Gavel and the Daffodil Festival were founded at about the same time, and Rainier Yacht Club's website (home of IOBG Founder, Ev Henry) carries a photo of the IOBG boat in one of those first parades.

On April 26th we held our spring membership meeting at the Suquamish Clearwater Resort, near the charming little city of Poulsbo, renowned as "Little Norway" for its Scandinavian architecture and heritage. We also visited the US Naval Undersea Museum in nearby Keyport, which highlights the extensive naval presence in Kitsap County.

Washington's biggest yachting event is the Seattle Yacht Club Opening Day, held every year since 1909 (less than 20 years after Washington became a state!). District 1 attended the flag ceremony here, too, alongside Commodores and Presidents from 56 yacht clubs and associations throughout the area. After a two-year lapse, IOBG again had a boat in the parade that followed, thanks to Chuck Riess, past Commodore of Des Moines Yacht Club.

IOBG District 1 Boat at Seattle YC Opening Day

Our most recent event was attending Des Moines YC's Opening Day for South Sound on May 10th. Neil Kelly, a past President of District 1 and DMYC past Commodore, represented IOBG alongside 12 other clubs from the area.

We're looking forward to a big induction of new members at Lake Chelan Yacht Club on June 14th. Located in the North Cascade mountains, the lake is the country's third deepest and, with nearby peaks almost 6,600 feet above its surface, resembles a fjord. Then, on July 19th, we have our summer picnic in La Conner, a small, historic town (for the Northwest) and gateway to the San Juan Islands.

DISTRICT 7: Ohio, East of Sandusky & Western Pennsylvania

IOBG District 7 Update
Greetings from Lake Erie!

As the days grow warmer and the last traces of ice disappear from the lake, we eagerly anticipate another exciting boating season. This past winter, Lake Erie was nearly 100% ice-covered—a rare sight we haven't seen in quite some time. Now, with open waters ahead, we look forward to a year filled with fellowship, tradition, and memorable events.

First, congratulations to our newly elected District President, Ronn Murphy, along with all our new officers and vice presidents. Your dedication and leadership continue to strengthen District 7, and we're excited for what lies ahead.

Continued on Page 18

Our district is thriving, with over 245 paid members already this year, and we recently welcomed six more at our annual Blue Blazer Event. This growing participation is a testament to the camaraderie and enthusiasm within our ranks.

A Year of Exciting Events

We have an incredible lineup of events planned for 2025, offering plenty of opportunities to gather, celebrate, and share our passion for boating:

- April 27 — Brunch on The Lady Caroline, a scenic tour boat in Cleveland, OH, where members will enjoy a delicious brunch while cruising along the Cleveland shoreline.
- May 26 — Memorial Day Service aboard the USS COD, a historic WWII submarine in the Cleveland Harbor. A solemn and meaningful tribute to those who served.
- June 21 — Cocktail Party at the Huron Boat Basin, hosted in collaboration with the Greater Cleveland Boating Association.
- July 27 — Cocktail Party at Put-in-Bay Yacht Club, in partnership with the Inter-Lake Yachting Association.
- September 18-20 — Annual Wine Tour in Geneva, OH, a fantastic weekend of wine tasting and camaraderie.

New District 7 Members At Our Blue Blazer Event

And that's just the beginning! With plenty of other gatherings and impromptu get-togethers throughout the summer, there's no shortage of opportunities to connect and enjoy the season. If you're in the area for any of these events, we'd love to have you join us!

Wishing everyone fair winds and following seas, and I look forward to seeing you on the water.

Lewie Kuhn - District 7 Director

District #10:

District 10 officers and members have been active throughout March and April. Our annual renewal rate for 2025 stands at 90% with eight (8) new members duly inducted into the Order the past two months, bringing our membership total to 68 regular members plus two (2) associate members. Inductions are performed at the opening day ceremony of the yacht club where its Junior Staff Commodore joins the chapter. Thus, we attended eight (8) opening days by invitation to perform inductions. Occasionally the District President is also invited to participate in the ceremony in other ways, such as

Continued on Page 19

From Page 18

with the "Eight Bells" ceremony or the "Club Toast." The activities are documented and reported in the district's quarterly newsletter *The Gavel*, where the 2025 Winter Issue was just published in April.

Our President (P/C Zaidenberg) has convened four (4) monthly D10 Board meetings beginning in January. Our monthly meeting locations are rotated among our chapter yacht clubs. We arrive for "happy hour" then convene a dinner meeting. Meetings at the clubs raise visibility of IOBG in the District and encourage interactions with regular club members and bridge officers of our host clubs.

Working with our chapters the officers have scheduled quarterly activities for 2025, concluding in December with our Christmas Party at IOBG member-owned restaurant Sebastiani's Italian Bistro of Huntington Beach. Also scheduled are our 3rd annual BBQ (August), our 2nd annual "Lunch & Learn" Saturday seminar (September), and our 3rd annual IOBG-sponsored Princess cruise (October) along the California coast from Los Angeles to San Francisco--Ensenada, MX--and back. Already two (2) chapters have collaborated to produce "Sporting Clays" at Raahauge's Shooting Range in Eastvale, and sponsor an "IOBG Boat" in the Opening Day Boat Parade of one district club. (Past Commodores aboard the IOBG Boat salute the new bridge officers while passing in review, in line with the club members' boats.)
